Music Director-Bobby Westphal

Mr. Westphal wants to assure everyone that none of our Programs are getting cancelled. Business as usual. This will be posted on Website.

We will stay with the WBA organization.

Mr. Westphal would like to streamline communication. His door is always open to Parents and student concerns. But for now, please let Demetry-President handle the little nuances of events. And that will allow Mr. Westphal to focus on communicating with Administration.

Open house is April 18. Managers and students will have tables set up to focus on giving information out to parents and incoming freshman interested in band.

Instagram account is not available to us. Not sure who is posting on account. We don't have password, so Mr. Westphal thinks we should just start a new account. Erica will start new Instagram account.
